In the game, you play the store manager, and with your moe assistants, you manage your moe café. From cooking, research and décor to hiring, advertising, deliveries and parties, it's all up to you (or your friends if you need to call for help). Experience realistic management in a dreamlike environment with uniquely interesting restaurant dialogues written in collaboration. A brand new 2D management simulation Discover the new world with your own cleaning coffee! The new system and new styles of play have led to a significant breakthrough in leadership simulations. A fresh, cute, Japanese-style chibi art style might be too moe for you to handle, and the 50 courses served will make your mouth water Come and taste acg's fantastic world and be the best cleaning café manager you can be The Nearly 100 popular Japanese ACG characters Arrogant ditchingamas, popular storegirls, girls with plows, stylish lolis and other beautiful goddesses trained in top-to-top format, which brings you much closer to your favorite 2D women. There are also hundreds of outfits where girls can dress. Raise these girls into the harem you've always wanted. The Otaku dream is real. From classic modern, realism to fantasy, European style to Japanese style and any weird fetish you can think of, 1000-century furniture items and decorations. With this many styles, you can create (or recreate, given the vast collection of generic ACG props) of any 2D world you want. Various social interaction spaces Temp work, granting wishes, borrowing employees, market changes, supply orders, sending flowers... These are just a few of the available social interaction modes. Friends and neighbors can visit you at any time and leave disgusting comments you'll see when you get back. Unique break room system The extra space must be arranged together with your own special furniture. Here, energy workers can be supplemented free of charge. The self-conscious employee organises social events of his own volition here, bringing a new element to the already abundant game mechanics Multiple systems and game styles over chibi art style combined with fresh design and original ACG characters and make for a whole new fan service experience. The game is easy enough to play randomly, but it also has depth a player who is more interested in the hardcore experience. Life is what you do: do you want an intense management simulation? A romance game? RPG experience? A shipwrem simulation? The experience can become as fanservice-y as you like, so go out and chase your dream!
